

## WEBSITE OF THE MONTH

This month, we are featuring two websites operated by the Wisconsin Department of Health and Family Services' Bureau of Mental Health and Substance Abuse Services.

The first site, [www.dhfs.wisconsin.gov/mentalhealth/index.htm](http://www.dhfs.wisconsin.gov/mentalhealth/index.htm) covers mental health services available throughout Wisconsin. This site includes links to local mental health services, a nation-wide mental health services locator, and the state's mental health inpatient facilities.

[www.dhfs.state.wi.us/substabuse/](http://www.dhfs.state.wi.us/substabuse/) lists substance abuse and addiction resources. These resources include a list of each county's Intoxicated Driver Program assessment contact, a link to a nation-wide substance abuse treatment facility locator, and information on licensing and certification of AODA treatment providers.
